## The Asian Internet Bible Institute [www.aibi.ph](http://www.aibi.ph)

The Asian Internet Bible Institute is a missionary society that uses computers and the Internet to facilitate the Great Commission.

There are five aspects to the AIBI:

1. The **online bible college** at [www.aibi.ph](http://www.aibi.ph) that offers 37 subjects and hundreds of articles and resources, free of charge, in order to train pastors and Christian workers in Asia.
2. **Cybermissions.Org**, which trains people in Internet evangelism and cybermissions.
3. **Community Internet Cafes** – which are evangelistic Internet cafes that are put on the mission field to outreach to unevangelized people groups. Each icafe can support three indigenous missionaries and acts also as a community contact point.
4. **Eternity Daily Bible Study** – a free daily Spirit-filled devotional / bible study that expounds the Scriptures to about 500 people. To join just send a blank email to: [eternity-dbs-subscribe@strategicnetwork.org](mailto:eternity-dbs-subscribe@strategicnetwork.org)
5. **Translation** – of strategic Christian resources into languages such as Spanish and Tagalog, then putting these resources online.

There are over 100 volunteers involved in various aspects of the ministry and offices in Manila and Los Angeles.

You can pursue missionary work at home, using your computer, by being an AIBI volunteer. You need to be a bible-believing, born-again Christian with a heart for missions. Areas we need help in include prayer & intercession, web design, graphics, database programming, translation, publicity & fundraising, refurbishing donated computers for the icafe, administration, and content providers of high-quality teaching material.
